

Hoofbeats Therapeutic Riding Center

Needs Volunteers

There is much need here. You don't have to have experience with horses to serve. You just have to love people, nature and animals. We are outside surrounded by God's Mini-glories that point our attention up.

Can you sit with people who may be struggling and comfort them?

Can you help to create an atmosphere that comforts, corrects and encourages?

Do you have organizational skills? Are you handy fixing or making things?

Do you like to plant things? Are you an artist?

The Harvest here is plentiful but the workers are few.

Volunteer training session March 30, 2024 10:00 to 12:00

Or come anytime to see where you might like to join us! **(540) 461-1512**
